

# PIONEER Clear-Way Strip Door

*The Clear-Way Strip Door is Designed to Help You Create a Cleaner and More Efficient Work Environment.*

## Clear-Way Strip Doors

The Clear-Way Strip Prevents the Movement of Dust and Other Contaminants from One Area to Another. It also Saves Energy by Minimizing Loss of Heated or Cooled Air in Unprotected Openings.

- ❖ Available in Jamb Mount and Face of Wall Mount
- ❖ Strip Widths Available in 6", 8", 12", and 16"
- ❖ Standard Strip - Ideal for Low to Moderate Traffic Withstands Temperatures from -10°F to 150°F
- ❖ Ribbed Strip - Ideal for Moderate to Heavy Traffic, Especially Where Heavy Machinery is Operated. Scratch Resistant. Withstands Temperatures -10°F to 150°F
- ❖ Low Temp Strip - Ideal for Refrigerated Areas and other Food Handling Services. Available in Standard Ribbed Type Material. Designed for Use in Freezer Applications Down to -40°F **Suggested for Interior Use Only**
- ❖ Weld Strip - Ideal for Welding or Grinding Areas
- ❖ Orange Safety Strip- Ideal Use for Safety Applications, in Outlining Parts of Doors that are Unsafe for Passage. Recommended as the Outer Edge Strips

- ❖ Replacement Strips and Additional Hardware Available
- ❖ Fabric Gauge: .060 - .160
- ❖ Easy Installation and Maintenance
